

Name.....

Botanic Gardens Scavenger Hunt

Pick up a 'Gardens Guide' with a map inside. The numbers on the quiz match the numbers on the map. Walk to the numbered places (they match the question numbers) to discover the answers to the quiz. There are small signs at each of the points to assist you in your hunt!

Wear a hat and take some water.

Start at 17. Tropical Shade garden. Can you find these

shaped leaves?

19. Walk to the Omphalea trees at the end of the Orientation Garden and Cremorne Visitor carpark off Lagoon street

Can you spot the bungee jumping caterpillar or the moth? Read the sign for more information!

19. Let's go to the big Front Entrance Wall at Orientation Gardens

Who made this sculpture of fungi, frogs and platypus?

How many frogs are there?

20. and 21. Walk to the Lagoons Deck between the Café and Administration buildings.

The building design was inspired by the Cooktown Orchid. What part of the flower are you standing on when you are out on the pointy deck?

The answer is on one of the signs.

23. Walk past the Café to the top of the waterfall of the Finch Hatton Gorge Waterway bridge.

Look at the rocks in and around the water.

How many water skink lizards can you see?

26. Malta Garden... What is the name of this flower under the arches?

What game is played on the sand court?

27. Screens and Hedges

Closest to the path is a row of Native Hibiscus bushes.

See if you can find any Harlequin Bugs. They may be orange or blue. Can you see other creatures? Maybe draw one that you have seen.

28. Sister City Garden... What three colours are featured in the living logo of Matsuura City, our sister city in Japan. Tick the correct colours.

31. Heritage Gardens... Whose Garden has lots of Nasturtiums (orange flowers in photo) Circle the correct garden name.

Rawson's on the Hollow

Summerlands

Kitchen Garden

Cremorne

32. Coal Garden...

How many Dinosaur footprints are near the waterlily print in the path?

36. Eulamere Boardwalk:

Which bird has a bill like a ladle?

What is the name of the small bird with red on its back?

Walk along this path till you come to a set of stairs. Make your way up to the top.

37. Torres Strait Islands pathway

The path is long and blue with lots of pictures (mosaics) in it. How many turtles can you find?

How many shells?

41. 'Under the Banyan' Playground - there are lots of mosaics to look at.

How many butterfly mosaics are in the big kids play area? Try out all the play equipment while you are here.

**Did you manage to finish “The Scavenger Hunt?” Well Done!
Remember you can recycle the Garden’s Guide by taking it back to the
Administration building.**
